

In 1989 we created *Winter Help*, a partnership between ourselves, our customers, and local community service agencies. We asked for your support to help your neighbors pay part of their energy bills. Your generosity has helped more than 6,100 families since *Winter Help* began.

With the latest decline in the economy, your assistance is needed now more than ever. For every dollar you contribute to *Winter Help*, Cascade will match it, dollar for dollar, to a maximum match of \$30,000. Your tax deductible dollars are also guaranteed to be used in your community.

Please contribute to *Winter Help* by completing the form on the back and returning it to us as soon as possible.

Thank you for joining us in making warm neighbors and for making the Pacific Northwest a neighborly place to live.
