

MINIMIZE YOUR HOME'S ENERGY WASTE

Did you know that the average household spends more than \$2,200 a year on energy bills? Find ways to save with a tailored plan that fits your home energy needs and lowers monthly bills. Energy Trust of Oregon is here to help on the path to savings.

In the Community to Serve®

DISCOVER YOUR HOME ENERGY REVIEW

Get more from your energy with Energy Trust's easy-to-use online Home Energy Review tool. In 10 minutes or less, you'll receive an estimated calculation of your home's current energy use and custom recommendations for energy-saving improvements that will boost comfort and lower monthly bills.

Create a customized action plan and start your energy-efficient projects on a timeline that works for you.

To get your review, visit www.energytrust.org/start or call 1-866-368-7878.

TURN ON THE SAVINGS

Upgrade to a WaterSense® showerhead and save up to \$55 a year in energy and water costs. Look for the Energy Trust logo at local retailers and receive an instant discount on qualifying purchases.

Find participating retailers and qualifying models at www.energytrust.org/showerheads.
